## CUT-OFF PATTERN FOR OTHER WESTERN RAILROADS

J. V. Key, engineer supervising the building of the Santa Fe cut-off, with headquarters at Belem, is in the city today to discuss the matter with the Santa Fe officials. The cut-off, which will be a pattern in railroad building for other western roads, so stable and complete will it be in its every characteristic.

One feature in which it will differ from other western roads is that the bridges will be ballasted just the same as the other part of the roadbed. A platform will be laid on top of the bridge girders, and a foot and a half of ballast will fill in the space between the platform and the ties and the rails.

## FAILED TO PAY FOR DINNER HE ORDERED

GEORGE HAYMAN MUST SERVE FIVE DAYS IN JAIL FOR TRYING TO SECURE A MEAL ON HIS NERVE—OTHER POLICE COURT NEWS.

George Hayman was taken in by the police last night on a charge of vagrancy and this morning was sentenced to serve five days in jail by Police Judge A. J. Crawford. Hayman went into a downtown restaurant last night and ordered a dinner. After he had partaken of the meal he attempted to leave the restaurant without paying for it. His only excuse was that he had no money.

George Vanocot, who up to a few weeks ago, was employed as a hostler at the London club livery stable, was arraigned in police court this morning on the charge of stealing a pair of horse clippers from the barn. He pleaded guilty to the charge and was sentenced to thirty days in the county jail.

E. G. Polk, employed as a cook in a Railroad avenue restaurant, got into an argument with William Murgie, a waiter in the restaurant, and a fight took place. Murgie received a badly disfigured eye in the encounter and had Polk arrested on the charge of assault and battery. He pleaded guilty in police court this morning and was fined \$5 and costs, which he paid.

## HUNTINGTON DISCHARGED FOR LACK OF EVIDENCE

MAN ARRESTED ON COMPLAINT OF W. H. GREER, ORDERED RELEASED BY THE COURT.

William Huntington, of the Jemez hot springs, was arrested Wednesday on complaint of W. H. Greer, of this city, who charged Huntington with the larceny of a shotgun, was given a hearing late yesterday afternoon before Police Judge Crawford.

It took the court but a short time to see that the evidence of the prosecution was entirely too flimsy to justify the holding of the defendant, and he was promptly ordered released. Huntington has always borne a good reputation and was very indignant at his arrest.

Mr. Greer agreed to pay the expense of Huntington's trip to Albuquerque and to reimburse him for the time he had lost by reason of his arrest, therefore, the case was dropped.

Postoffice Established.  
A postoffice has been established at Paquiate, Valencia county, ten miles north of Laguna and three miles south of Bibo. John M. Chavez has been appointed postmaster.

## McCLURE WILL ASK CHANGE OF VENUE

Noted Murder Trial Will Not Be Heard at This Term of Court.

TWO CASES ARE DISPOSED WITH

It is now a settled fact that the trial of Amelio McClure, the half breed negro, charged with the brutal double murder of Nicolas Sanchez and Carmel Sena, two sheep men, who were killed at La Posta crossing while on their way to this city with a load of wool last June, will not be heard at this term of the district court.

Attorney W. B. Childers and Attorney W. L. Heacock appear as counsel for the defendant and it is very probable that they will file a plea in abatement in behalf of their client. Failing to get relief in this, it is said a change of venue will be asked, on the grounds that because of the intense feeling against McClure in this county, it would be impossible to get a jury that would give him a fair trial.

The morning the case of Antonio Barboria vs. Demetrio Muniz, the trial of which commenced yesterday, was given to the jury, which found a verdict of guilty on the second count, that of assault with a deadly weapon. Muniz was charged with assault with intent to kill and assault with a deadly weapon. The assault occurred some months ago, Muniz cutting Barboria in the neck and back with a razor. Attorney Modesto Ortiz conducted the defense.

The jury did not hang in the case of the territory vs. Bartolo Trujillo and Mercedes Chaves, as it was thought it would, but brought in a verdict late yesterday afternoon. The verdict found Trujillo guilty of stealing the sheep, but acquitted Chaves.

The court is making good headway with the criminal docket and it is hoped to get through with all the cases set for trial at this term of court.

## DR. B. S. IVES FOUND HEALTH AND WEALTH IN NEW MEXICO

Dr. B. S. Ives, recently of Magdalena, passed through the city this morning en route to New York city, his old home. Dr. Ives came west a few years ago in quest of health. He is an old friend of Ray Morley, the Columbia foot ball coach, and upon Mr. Morley's advice, bought a flock of sheep. These sheep he ran in western Socorro county with great success.

Feeling quite recovered in health, Dr. Ives sold his sheep recently at a good profit, and now he is returning east with both health and wealth, to resume his profession as a physician.

## UNIVERSITY NOTES

President Tilt is at Bluewater, N. M., making some geological investigations for the Santa Fe railroad, on the site of a proposed dam.

The heating plant is nearly completed. The building for the boilers will also contain the janitor's quarters. Pipes covered with asbestos lead to the different buildings, where the rooms are to be heated by steam radiators.

The first football game of the season was played last afternoon at the Indian school between the Varsity and the Menual school. The following was the line-up of the University team: Center, Selva; right guard, Crawford; left guard, Wells; right tackle, K. Healey; left tackle, Ross; right end, Manure; left end, May; right half back, Smith; left half back, Allen; quarter back, Bryan; full back, Donahy.

The boys' literary society has adopted as its name The Kiwa. The following are the officers: President, Ralph Tascher; vice president, B. Crawford; secretary, Horton; treasurer, Heald; prosecuting attorney, Bryan.

## BANKERS AND THEIR FINE SPECIAL TRAIN

Chicago, Oct. 7.—Nearly 500 bankers and prominent men of finance of the west started from here today in the "bankers' special," over the Big Four railroad to attend the national convention of the American Bankers' association, which will open in Washington next Wednesday.

The train consists of ten of the finest Pullman cars, four open section sleepers, two compartment sleepers, a buffet car, an observation car and two of the Big Four's new dining cars.

In addition to the regular porters, there will be negro maids and barbers. Among the other features of the train will be salt baths, a ticket service for receiving market reports, and a wireless telegraph outfit.

At Indianapolis, two cars of the Indiana Bankers' association will join the party. The train will go via Cincinnati and Old Point Comfort, whence the bankers will go to Washington, via the Potomac river on a special steamer.

At last night's session of the investigating and auditing committee of the late fair, some interesting testimony was adduced from Secretary Sellers, who was sent for and who was on the "rubber" for several hours. The secretary gave some facts, showing the reasons for the deficit of something over \$2,000 for the last fair. Figures on the books show that the deficit of the 1904 fair of \$2,128.97, have devolved to over \$2,800, and of course this difference of over \$700 will have to be explained. W. H. Greer, president of the late fair, and A. B. McGaffey, president of the 1904 fair, will probably appear before the meeting tonight.

The holiday was ushered in last evening and the observance will continue until next Monday at sundown.

The day of atonement resembles the Sabbath, in that all work is forbidden for the general purpose of enhancing the joy of the festival. The second holy day, although established because of the uncertainty of the calendar, is regarded as of equal sanctity.

To rejoice and be cheerful and to give presents are the customs of the day. There will be services in the temple at 7 p. m. Sunday, and beginning at 9:30 Monday morning will continue through the day.
